Breeding contract Itsasouthernimpulse

Name of mare _____

Breed and reg.nr _____

(Please send copy of studbook paper of the mare along with the contract)

The stud fee for breeding season 2023 is € 900,-.

The stud fee must be paid before sending frozen semen.

The amount can be transferred to bank account BE22 0632 1014 2047 reference: Itsasouthernimpulse.

Shipment of the semen will take place after receipt of the stud fee to the following address:

.....

.....

.....

There is a live foal guarantee with the right to rebreed exclusively for the mare named in this contract in the 2024 season.

The live foal guarantee is only valid in case of stillbirth or rejection of the mare during pregnancy or when the foal dies within 24 hours after birth, whereby a statement from an authorized veterinarian must be handed over, .

Also, no guarantee can be given for next breeding season that Itsasouthernimpulse will be at the same breeding station or whether semen can be sent.

By signing this contract the mare owner declares to agree with the attached general conditions. This contract is personal and therefore not transferable.
